

GARY JOHNSON, MBA

Mr. Johnson is Market Manager at [Black & Veatch](#), Toronto. An electronics engineer from Queen's University at Kingston, he worked for Schlumberger International mapping the geology of oil wells in West Africa and at Bayly Communications Inc. as Vice-President, Business Development.

He has held various sales and marketing positions in the energy, high-technology and telecommunications sectors in extensive international experience. At Black & Veatch, Gary travels extensively reflecting the company's evolution as a global company with client projects on six continents.

Gary joined Jocelyne Picot and Luiz Esteves to founding e-KSS™ Inc in 2006 following intense periods of contacts with stakeholders and potential partners. He has been serving as e-KSS' Vice-President Technologies since then.
